'Valuing Everyone As Learners'

Dear Parents/Carers,   24th May 2023

Years 5 & 6 - Growing Up

As part of the school's personal, social and health education programme, we have arranged a series of lessons for Years 5 & 6 about growing up and puberty. These lessons will focus on the changes that occur as the children grow up and change. There will be an additional session for Years 5 and 6 girls only about starting their periods.

Over this year, we have updated the video resources that will be used during these lessons; the videos and resources have been approved by our Governing body. As it is not possible for the videos to be viewed at home, there will be two meetings for Years 5 and 6 parents/carers where staff will explain in more detail the areas that will be covered and show the video clips. The meetings will be on Monday 19th June at 9.15am and Tuesday 20th June at 2.15pm. Both meetings will be the same, parents/carers only need to attend one meeting. Our lessons to pupils will start after this date.

Please let us know **in writing** by Friday 30th June if you **DO NOT** **want your child to attend** these lessons. If you are in any doubt, please do speak to Mrs Haslam-Davis or a member of Years 5 or 6 staff.

Yours sincerely

Mrs N Haslam-Davis
Headteacher
