## 'Valuing Everyone As Learners'

6<sup>th</sup> June 2023

Dear Parent/Carer,

### Parent and Child Road Safety Walk – Reception

The Road Safety Team from Thurrock Council will be visiting the school as detailed below to take Reception classes out for a short parent and child road safety walk lasting for approximately 45 minutes during school time. This is designed to help parents support their child in learning about the dangers of the road in their local environment. Please come to the EYFS gate on Tuesday 20<sup>th</sup> June for class RJV at 9.00am and Wednesday 21<sup>st</sup> June for class RLT at 9.00am. Road Safety Education is an integral part of your child's development and the team hope to help and advise you with this. The talk is aimed at parents and carers rather than the children and for this reason, only children whose parents attend will go on the walk – although grandparents and other relatives are welcome if you cannot attend. However, we do ask that only one adult accompanies your child. Younger siblings in pushchairs are also welcome. If you wish to attend, please respond by replying to the email that this Groupcall has been sent from by Thursday 15<sup>th</sup> June informing the school of which adult will be accompanying your child. Children will be given a high-viz vest to wear for the duration of this walk. Talking to your child about road safety will give you another opportunity to develop your child's safety awareness. Please ensure your child is adequately dressed bearing in mind the changeable climate.

Yours sincerely
