'Valuing Everyone As Learners'

6th September 2023

Dear Parents/ Carers

At school we provide opportunities for the children to learn about being healthy by knowing what foods are good for us and by taking regular exercise. Snack time in EYFS is an important social timewhere we learn about different foods, tastes and textures and how to be healthy. Pupils learn about how important it is to wash their hands and they will be able to try foods from different countries andcultures. The children will have the chance to try new and exciting foods, learn to share and be responsible. As part of this we teach children the skills of using cutlery. The first half term, the focusfor children will be using spoons by eating a variety of foods that need scooping up. In order to be able to offer a variety of snack options over the year there is a charge for this.

SNACK BILL

Please find below the Snack Bill for the academic year 2022/2023.
