'Valuing Everyone As Learners'

Invite to an Online Safety Presentation in school Tuesday 30th April 2024 5pm – 6.30pm

19th March 2024

Dear Parent/Carer,

With the online world continually developing at a rapid pace, the dangers to our children constantly change.

Do you know how to keep your child safe in the digital world?
Do you know what effect social media has on your child?
Do you know the latest information about stranger danger?
Would you like to know more about how to keep your child safe online?

In order to support our parents and children in their understanding of online safety, we have organized a visit from the 2 Johns. The 2 Johns spent many years working as Police Detectives in various covert roles tackling Online and Offline Child Exploitation and are regarded as experts in their field, they are highly sought after and have been regular visitors in other Thurrock Schools. They will be conducting workshops for pupils in school throughout the day as well as delivering staff training and we would like to invite you to attend an online safety awareness event on Tuesday 30th April in school at 5.00pm. It will last approximately 90 minutes.

This session will provide you with information and support, helping you to stay up-to-date and understand the challenges that we all face online. It is a key part of our ongoing commitment to safeguarding our children and raising the awareness of the importance of online safety. We would urge parents to attend if at all possible.

As children will not be able to attend the meeting, we are organizing a Movie Night with popcorn and drinks for our children. Your child will be able to come when you attend the 2 Johns meeting. **Pupils will only be able to attend the movie night if parents stay to the presentation. Unfortunately, we cannot cater for children who do not attend Giffards Primary.**

Please complete and return the slip below to either the class teacher or the school office by no later than Monday 15th April 2024.

I _____ will be attending the 2 Johns workshop on 30th April.

My child / children _____

In class/es _____ will be attending the movie night.

Mrs S Tatnell
Computing and online safety lead
